The Rear Dining Patio

This covered patio space with a beautiful water-wall accent, features lots of foliage and an outdoor garden area. It accommodates approximately 60 people seated and 100 standing. The associated food & beverage minimum is \$2,000.

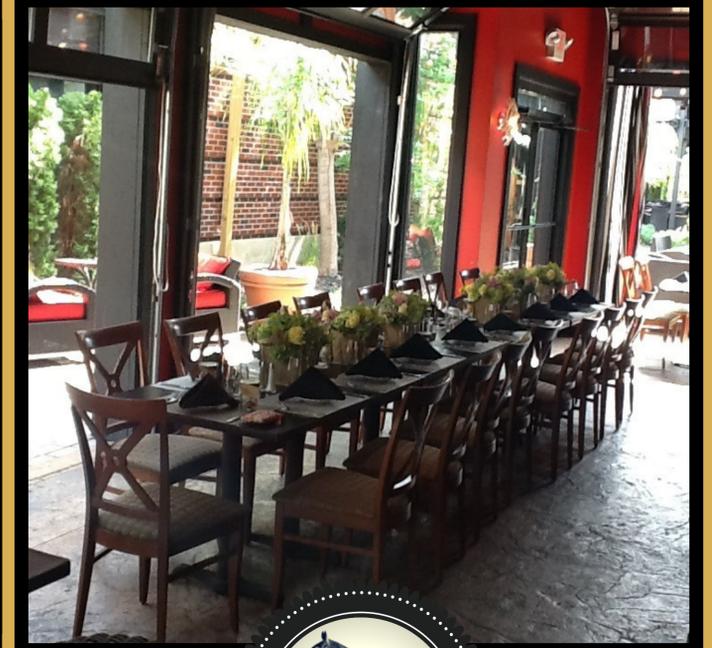

The Rear Dining Room

This elegant space, with a water fountain/fire feature, illuminated skylight in the center and glo-light wall, has it's own private bar and accommodates 100 to 120 people seated and 200 people standing. In order to reserve the room privately there is an associated food & beverage minimum of \$3,600.

Many people often reserve this space in conjunction with the Rear Dining Room holding their appetizer/cocktail hour outside then moving indoor for a more formal seated dinner.

The Side Patio Bar

This sophisticated space is full of light from the warmly lit glo-light wall to the glass garage doors. Beautiful all four seasons, this space has a private bar and can accommodate up to 33 guests seated and 50 standing. The associated room minimum is \$2,000. Opening the garage doors allows for additional seating into the Outdoor Lounge area and the Front Patio.
